

Bureau of Air Quality - Notice of Relocation of Mineral Processing Equipment

FAX To: 287-7641

OR Mail To: Compliance Section, ME DEP BAQ, 17 SHS, Augusta, ME 04333-0017

Notice must be sent at least 10 days before the equipment is moved. You must also send a copy of the notice to an official in the municipality where the equipment will be located.

* = Input is required

Air Emission License **A** - * - - - /

Company Name *

Phone # *

The portable equipment, as specified below, will be moved:

FROM *
911 Street Address Town

TO *
911 Street Address Town

AS OF * mm/dd/yyyy

We have made provisions to ensure that water and/or electrical power will be available to supply the necessary emission control equipment, and all equipment will be operated in compliance with the Air Bureau requirements at this new location. A copy of the Air Emission License will be kept on site, and we have notified the Town/City (County Commissioner if located in unorganized territory) of our plan to relocate there.

Equipment	Manufacturer or ID# (enter all that apply)
1. <input type="text"/>	<input type="text"/>
2. <input type="text"/>	<input type="text"/>
3. <input type="text"/>	<input type="text"/>
4. <input type="text"/>	<input type="text"/>
5. <input type="text"/>	<input type="text"/>
6. <input type="text"/>	<input type="text"/>
7. Other Equipment <input type="checkbox"/>	<input type="text"/>

Describe Other Equipment

As required by Maine law, I will establish and maintain a program of best management practices for dust control, will operate all emission units and air pollution systems in a manner consistent with good air pollution control practice, and will comply with emission standards and conditions of the Air Emission License.
